

**Note:** CDC updated the FY 2018 ICD-10-CM Addenda on June 27, 2017 as follows.

The code title for new ICD-10-CM code O00.212, valid for October 1, 2017, is revised by changing “without” to “with” as shown below:

As posted: O00.212 Left ovarian pregnancy **without** intrauterine pregnancy

As of June 27, 2017: O00.212 Left ovarian pregnancy **with** intrauterine pregnancy

This change affects the following ICD-10-CM files in the FY2018 update:
